

# COVID-19: advice and best practice

1<sup>st</sup> July 2020

The logo for SCIEline, featuring the word 'scie' in a lowercase, rounded font and 'line' in a lowercase, sans-serif font, all in white on a blue background.

Social Care Institute for Excellence

**SCIEline contains a new hub with best practice and advice for care homes working to prevent the spread of COVID-19, including a Q&A on the subject.**

This is a new website for family, carers of people with a learning disability, autism or both, of any age to provide tips, ideas and resources.

There are also new releases of podcasts, webinars to sign up for, and training opportunities.

For more information visit:
